Projects

BGMS functions on a 5 acre premises leased by Govt. of Karnataka and runs the following projects approved by Govt of Karnataka. The projects are monitored by Dept of Women and Child Welfare.

- Kanvashrama – Child Care Institution for children
- BGMS Sishukunj Vidhyalaya – Free English medium School
- Swadhar Greha – Short stay facility for Women
- Counselling Centre
- Anandham – Old age home for women
- Vocational training Center

Message from the

Secretary's desk

Dear Friends

Academic year and financial year 2023-24 has seen significant improvements in our infrastructure and amenities in all our projects. We have also enrolled more children in the school and have made efforts to improve learning outcomes. Short stay home and old age home continue to help women in need.

Student strength in our school BGMS Shishukunj Vidyalaya increased from 300 to 324 in the academic year 2023-24. 29 students appeared for the SSLC exam in March 2023 and the school obtained a pass percentage of 93%. Considering that low cost and good quality English medium education is the need of the hour for low income groups, we have decided to increase the strength of the students gradually every year. Towards this goal, construction of 7 new class rooms have been completed and put to use from this year. One of the classrooms has been given for conducting Vocational training by NTTF which is a new initiative.

We continue to engage the students in various activities and awareness programs apart from academics. We have also set up a Library, Science lab and Math lab with contribution from donors. Two new dwelling units have been added to our short stay home capacity to address the special needs of certain inmates.

We have also installed solar power plants of 5 KW capacity and planted 25 trees to make our campus green and a bio gas plant is also in the offing.

The child care institution continues to function with its full sanctioned capacity and the old age home of 55 inmates capacity has an average occupancy rate of 70%.

As we complete the year with satisfaction, we are grateful to the donors for supporting our infrastructural and operation needs. It is with the support of our donors big and small that we are able to run all our projects and make plans for the future with confidence. The managers, teachers and staff have worked with dedication and have put in commendable efforts.

An institution that started 62 years ago, continues its march fulfilling its objectives to serve the women, children and the aged with commitment and dedication earning the trust of the donors, regulators and the society.

With Best Wishes

Smt. Prasanna Chandri

Secretary

Aims and Objectives

The Primary goal of BGMS is the welfare and the upliftment of Women, Children, aged and partially impaired.

- To provide Care, shelter, protection and overall development of children who are in need
- To educate children who are from disadvantaged/BPL family, who aspire to achieve something in life through education
- To provide shelter, protection and vocational training for distressed women
- To provide individual counseling for distressed and family counseling for broken family and relationship problems. To provide legal guidance and awareness if needed.
- To provide shelter, food, medical care and respectable living for elderly women, widows, orphan abandoned by the family.

Child Care Institution - Kanvashrama

Kanvashrama provides a home like environment to the girls and boys, housed in 4 cottages for girls and two cottages for boys. Children are housed as per JJ act rules. Separate cottages are allotted age-wise and gender-wise with each cottage having a house mother and a helper. They help the children during their study time, reading time, play time, entertainment and activity time with discipline and bonding.

The month of April 2023 started with exams. Annual exams results were announced for the school children on 1st April 2023 and with the permission of CWC, children were sent home for summer break between April 5 to May 20. 17 children stayed back at BGMS.

SSLC Children wrote public exams from 25-3-23 to 05-4-24 and went home on 6th April. 12 students housed in the hostels were discharged after producing them to CWC as per norms. Parents/Guardians agreed to help children pursue further education. BGMS will provide guidance and help to students to

get scholarship and monitor their progress until they are independent.

Children who stayed back during summer vacation and staff members visited Bannerghatta national park in May. Children enjoyed their day out.

Tuition classes were also organized with the help of volunteers for children who stayed back at BGMS.

School Reopened on 22nd May and children returned to CCI

Number of Children in CCI during 23-24
92 Girls
59 Boys
Total: 151
